Agenda

Panel's Opening Announcements

Introductory address on behalf of the Mayor of London

M1. Sustainability Appraisal

M1. Does the *Integrated Impact Assessment* (IIA) and Addendum Report (NLP/CD/04 & 05) meet legal and national policy requirements relating to sustainability appraisal and strategic environmental assessment? In particular:

- a) Is it suitably comprehensive and has it sufficiently evaluated reasonable alternatives and does it provide a basis for future monitoring?
- b) Have the recommendations made within the IIA been adequately addressed within the Plan?

M2. Equality of Opportunity

M2. Does the *Integrated Impact Assessment* and Addendum Report (NLP/CD/04 & 05) indicate that the Plan will help to advance equality of opportunity between people who share a "protected characteristic" as defined in the *Equality Act 2010*¹ and those that do not share it and further the other two aims of the Act? In particular, which policies of the Plan will achieve this?

M3. Habitat Regulations Assessment

M3. Does the *Habitat Regulations Assessment Update Report* (NLP/CD/07) meet the requirements of the *Conservation of Habitats and Species Regulations 2017* and relevant national policy and guidance? In particular:

- a) Does it adequately address whether the Plan would adversely affect the integrity of European conservation sites either alone or in combination with other plans or projects?
- b) Does the Plan incorporate any recommended mitigation measures or alternative solutions?
